Northstowe will be a 21st century vibrant new town of 10,000 homes situated to the north-west of Cambridge. It will be built to high environmental standards, provide the opportunity for sustainable lifestyle choices and have a strong local identity which reflects the best historic characteristics of existing local places.

There are four key organisations involved in its development; The Homes and Communities Agency (HCA), Gallagher Estates, South Cambridgeshire District Council and Cambridgeshire County Council.
